

# **2013 SOLAR ECLIPSE**

**ON NOVEMBER 3, 2013 SUNDAY**

## **DEVOTEE SERVICES AT TEMPLE WILL BEGIN From 11 AM**

### **When the eclipse happens worldwide**

The eclipse starts in one location and ends in another, the times below are for visibility for any location on earth.

<b>Event</b>	<b>UTC Time</b>	<b>Time in Boston*</b>
First location to see partial eclipse begin	Nov 3 at 10:05 AM	Nov 3 at 5:05 AM
First location to see full Eclipse begin	Nov 3 at 11:06 AM	Nov 3 at 6:06 AM
Maximum Eclipse	Nov 3 at 12:49 PM	Nov 3 at 7:49 AM
Last location to see full Eclipse end	Nov 3 at 2:28 PM	Nov 3 at 9:28 AM
Last location to see partial Eclipse end	Nov 3 at 3:28 PM	Nov 3 at 10:28 AM

\* Local times shown do not refer to when the eclipse can be observed from Boston. Instead, they indicate the times when the eclipse begins, is at its max, and ends, somewhere else on earth. The local times are useful if you want to view the eclipse via a live webcam See [eclipses viewable in Boston](#).
