Precautions To prevent Coronavirus Disease (COVID-19)

All the devotees, Staff, Priests, volunteers and visitors are strictly required to follow these guidelines. Temple management is closely monitoring the situation and will take appropriate measures as and when required. Contact Front Desk or send email to info@srilakshmi.org for comments if any.

While entering the Temple:

- Wash your hands with soap liquid thoroughly soon after you enter the temple.
- Use Hand Sanitizer frequently
- Cough or sneeze on your elbow is best to avoid airborne travel of virus.
- Persons with Flu like symptoms are requested to stay away from the premises of the temple.
- Entry restricted to persons recently visited to any of the Corona (COVID-19) infected countries such as China, South Korea, Italy, Iran etc.

In the Maha-Mandapam Temple Premises:

- No more Naivedyam Prasadam Distributions, until further notice.
- Access to Abisheka Theertham (Holy water)/Milk are restricted
- We highly discourage bringing home made Naivedyam Prasadam to the temple.
- Devotees who bring Naivedyam Prasadam must take back after offering to God. Distribution (either give or take) at the temple is strictly prohibited.

In the Cafeteria and other Temple Facilities:

- No outside food/eatables are allowed
- Clean your table while you leave.
- Wash your hands each time after Rest room use

Your cooperation is highly appreciated. Prevention is better than Cure
May the blessings of Sri Maha Lakshmi be always with you and your family
