JAGADACHARYA SWAMI RAMANUJA 1000TH BIRTH ANNIVERSARY CELEBRATIONS

Sunday April 30th 2017 (10AM - 1PM)

Andal's elder brother

When Andal was very little, she had promised to offer 100 measures of sweet pongal and butter each to Lord Kallazhagar of Thirumalirumcholai. Several thousands of years later, her wish was finally fulfilled by Swami Ramanuja like the way she wanted. Thereafter when Swami Ramanuja went to Srivilliputtur to see Andal, she welcomed him with joy and proudly addressed him as her elder brother. As part of the Swami Ramanuja's 1000th thirunakshathiram celebrations, we are offering 100 measures of Butter and Akkara Adisal to the Thayar and Perumal of Sri Lakshmi temple.
